Tipsy Hill Gardens

Tipsy Hill offers one of the most stunning locations in the McLaren Vale wine region. The property is set high on a hill with spectacular views across the region, and is surrounded by vineyards on either side of the garden.

The original owner, Margaret Burrell, has created a glorious terraced garden with a Mediterranean feel, single-handedly picking plants that would make the garden look beautiful all year around. Margaret designed the garden to frame the stunning 360 degree views.

The garden is a maze of exciting areas, all linked by paths and offering a variety of seats, arches, pillars, walls and hedges. There is a unique spot with magnificent views at the end of each path and secret gardens, creating the perfect setting for your ceremony and wedding day photos.

Please note that the venue can cater for a maximum of 30 guests.
