## PERTARINGA SCARECROW 2020 SAUVIGNON BLANC Adelaide Hills

**VINTAGE:** The start of the 2020 growing season was dry with warmer than average temperatures. Heat and wind during flowering led to lower fruit set and subsequently lower yields at harvest. The temperatures became milder from late January, allowing the vines to recover and helping maintain acidity. Although crops were down considerably this vintage, they quality has been fantastic.

**STORY:** Each vintage, the Sauvignon Blanc grapes are the first grapes to ripen in the vineyard. The scarecrow is still used as an effective deterrent to the local grape-loving birds and has also lent its name to our famous Sauvignon Blanc.

**NOSE:** The nose offers subtle and elegant aromas of passionfruit and snow peas.

**PALATE:** The palate is smooth but lively with delightful tropical fruit flavours, followed by a crisp and refreshing finish.

**CELLARING:** Drink now
